Equipment

The apartment complex was newly built in 2017 using hybrid construction of wood and reinforced concrete. The modern and comfortable studio apartments measuring 16 m² are fitted with a bed, desk, a wardrobe, a kitchenette with ceramic glass stovetop, sink and fridge as well as a bathroom with a shower. The 2-room apartments (approx. 41 m²) which two people can share, are similarly equipped. A design feature is a wooden bench that has been fitted underneath the window following the facade. On the ground floor, you can use the "Learning Lounge" and the patio attached to it.

Our Service

You can move in at any time day and night by arrangement with the caretaker using a key safe. Laundry room with coin-operated washing machine and dryer.

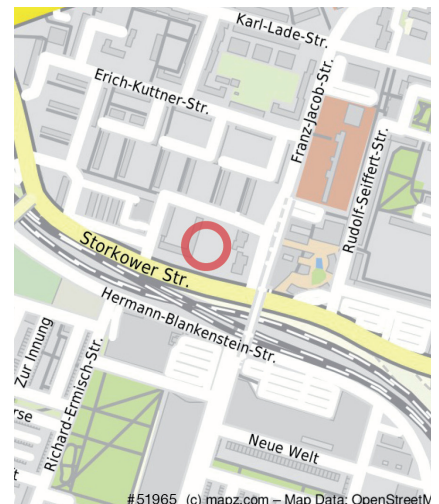

On request you can also use:

- Bicycle stands
- IP-TV and internet via an external provider.

The caretaker can be contacted by phone during opening hours. You'll find all the relevant information in your apartment.

Location

Very good public transport connection: S41, S42, S9, S8. Good shopping and entertainment options: the shopping mall Ring Center with numerous shops, service providers and restaurants is very close by. In Volkspark Friedrichshain, Volkspark Prenzlauer Berg or Fennpfuhlpark you can jog and play beach volley ball among other things.
